

BARGARA VETERAN GOLFERS ASSOCIATION

Captain's Report

Another successful year for the Bargara Veteran Golfers association. Playing numbers continue to be strong and show continued growth each week- averaging close to 180 players each Tuesday.

This last 12 months have been very busy for the match committee with three major tournaments as well as the normal weekly competitions. The two- day QVGA State Carnival in October 2025, the two -day March Classic and the three- day WBDVGA Spring have been well supported by members and visitors.

Our greens staff ably led by Rod Gillin and the volunteers are to be congratulated on course presentation, tree trimming, stump removal, concrete paths, weed dobbing, gardening etc.

It is pleasing to hear the favourable comments from the many visitors that enjoy the hospitality and the camaraderie when playing in our Vets competitions.

Many thanks to the match committee members for their time and commitment during the last 12 months, especially Dennis and Sue.

To you the members, thanks for your continued support, co-operation and friendship extended to me personally. It is the personal contact that has made my role enjoyable and rewarding.

I wish the incoming committee a successful future and may the Bargara Vets continue to grow and provide a friendly environment for our members to enjoy good sportsmanship, fun, and camaraderie.

Regards

Don McKewen (Captain)
